2- The only objectionable item is the grant of daily allowance in excess of $\frac{3}{10}$ths of pay for halts in Bangalore. It is not clear wherefr this should be allowed.

3. There is no objection to the deputation of the officers concerned if the admve Dept is of opinion that it is necessary.

Under the circumstances we may agree to the daily allce ceiling of $\frac{9}{10}$ths where the latter is smaller as the period of stay in B'lore is only ~~a~~ about 8 days. It is presumed no extra charges in the shape of deputation allowance or allowance for men to act in the place of absentees will be incurred -
